helpful hint: which package is right for me?

For the best seats, biggest savings, and greatest adventure, see all seven plays. You'll receive the same seats in each theater for the five Main Season plays, and the very best available seats for our two Limited Season plays. You can keep or possibly improve your seats from one season to the next.

Five-play Main Season subscribers are seated next, and save almost as much. You'll receive the same seats in each theater for the five Main Season plays. You can keep or possibly improve your seats from one season to the next.

Or choose any three or more plays and create your own season. Create your own season if neither the Full nor the Main Season plays are right for you. You'll receive premium seats that will vary from show and season to season. Remember: The more plays you see, the more you save.
