OVATION Sponsorship and Donor-Advised Funds

Rules for donor-advised funds prohibit the recommendation of grants for any or part of the purchase of tables, tickets, or program advertisements. However, grants can be recommended for contributions or tickets for sponsoring artists. Sponsors at the Silver, Gold, and Platinum levels also may recommend a grant in the amount over and above the Bronze level, so long as the sponsor purchases a Bronze level table with personal funds and does not receive any benefits associated with the higher-tiered sponsorship levels (complimentary hotel, valet, etc.).

*Rideshare credits will cover transportation within San Francisco.
